JEUGDVERBROEDERING ZELZATE 2014

February 25, 2014

Dear Jumelage friends,

The junior delegation of the twinning committee in Zelzate would like to officially invite you and the youth delegation of your city for the **Youth Gathering Zelzate 2014!**

The meeting will be held **from Friday 27th of June until Monday 30th of June.**

We will be staying in a local school where we can sleep and we also have a kitchen available.

As for the program, we can offer you various activities in and outside Zelzate so you can all get to know more of our town, our country and our culture!

You can find the program attached to this letter.

We kindly request you to keep **the number of participants to a maximum of 15** and we want to ask you to send us the number of people joining and their names by the **26th of March 2014**. Changes can be send until the **30th of April**. You can send it to us by email (j.verbodering@outlook.com) or via Facebook (contact Lars Mulders, Debbie De Vleeschauwer or Kim Cornette)

WHAT TO BRING

We also want to ask you **to bring your own sleeping necessities**: air mattress, sleeping bag, pillow... Our committee will provide most of the meals and drinks but we want to see to it that you bring **enough pocket money** for when we take you out to a pub or a party.

The weather in Belgium during this time of year will be good and sunny, an average of 20 degrees, but we advise you to bring something warm for the evenings and something for the rain.

You should also bring your **swimwear and some nice clothes for the gala night!**

If there are any important things we have to know considering food (allergy or vegetarian) or illness, please let us know! That way we can see to it that we have alternatives or the right care.

We will be expecting you with delight on Friday 27th of June, 18:00 at our Town Hall !

Address: Grote Markt 1, Zelzate

We look forward to hearing from you,

Yours sincerely,

Debbie De Vleeschauwer
